Thank you Stephanie. Eileen have we had a recent filing before CKK, and if so, can you share it?

Hi Josh,

We did file one in the 5th Circuit on September 4, and have another one due December 4. Eileen took over the case before CKK while I am on detail to our Wildlife section. I think we did file one recently, but she would know for sure.

Stephanie

Stephanie, I'm trying to update my records: have we filed a Texas Regional Haze status report with the 5th Circuit since 6/4/2018 (I have that one), and have we filed a TX RH status report with the DC District Court (CKK's court) in the last few months (I had a note to myself that we may have filed one in September 2018)? I'm trying to let the regional air program know about upcoming status reports we may be filing since we have some recent/upcoming milestones:

8/27/18: FRN published

9/26/18: Public hearing held in Austin

10/26/18: Close of comment period

Thank you!
